### **Our Trademarks and Copyright**

The content and information contained within our website or delivered to you in connection with your use of our website is the property of Megha Finloan Private Limited (hereinafter referred to as "MFPL") and any other third party (where applicable). The trademark, trade names and logos (the "Trade Marks") that are used and displayed on our website include registered and unregistered Trade Marks of us and other third parties. Nothing on our website should be construed as granting any license or right to use any Trade Marks displayed on our website. We retain all proprietary rights on our website. Users are prohibited from using the same without written permission of MFPL of such or such other parties. The materials on this website are protected by copyright and no part of such materials may be modified, reproduced, stored in a retrieval system, transmitted (in any form or by any means), copied, distributed, used for creating derivative works or used in any other way for commercial or public purposes without the prior written consent of MFPL.

### **No warranties**

Whilst every care has been taken in preparing the information materials contained in this site, such information and materials are provided "as is" without warranty of any kind, either express or implied. In particular, no warranty regarding non-infringement, security, accuracy, fitness for a purpose or freedom from computer viruses is given in connection with such information and materials.

### **Email**

Email messages sent to MFPL over the Internet cannot be guaranteed to be completely secure. MFPL is not responsible for any damages incurred by users if they send a message to XYZ, or if MFPL sends a message to them at their request, over the Internet. MFPL is not responsible in any way for direct, indirect, special or consequential damages arising out of the use of this Website.

### **Transmitting over the internet**

Due to the nature of the Internet transactions may be subject to interruption, transmission blackout, delayed transmission and incorrect data transmission. MFPL is not liable for malfunctions in communications facilities not under its control that may affect the accuracy or timeliness of messages and transactions you send.

**Downloading**

We do not represent or warrant that the Website will be available and meet your requirements, that access will not be interrupted, that there will be no delays, failures, errors or omissions or loss of transmitted information, that no viruses or other contaminating or destructive properties will be transmitted or that no damage will occur to your computer system. You have sole responsibility for adequate protection and back up of data and/or equipment and for undertaking reasonable and appropriate precautions to scan for computer viruses or other destructive properties. We make no representations or warranties regarding the accuracy, functionality or performance of any third party software that may be used in connection with the Website.

**Modification**

The Company reserves the right to delete, modify, change or discontinue any or all of the information on this website without giving notice to any user, individual, group of individuals, institutions and any such governing bodies.

**Password Protection**

We give you a unique user name and password one for just Browsing and one solely for transaction purposes. When you place an order we ask you for the transaction password which authenticates your identity from our highly secured database. This would mean we force you to change your password every month for ensuring high security for all your transactions. You can also change your password online at any time. In addition, you can use the Log Off button located throughout the website to securely exit your account without closing your browser.

**Session Control**

Also there is an internal session manager that ensures that even if you are not around your browser for more than 20 minutes it asks for a login once you are back to ensure that no one else can twiddle around in your transactions and throw up a surprise for you (Pun intended!!)

**Internet Scanners and Intrusion Detection System**

The system maintains a database of attack signatures which is continuously updated and against which it will scan all incoming traffic to detect any malicious activity or hacking attempts into the site. In the event of a possible attack, it will terminate that session, log the attack details and also alert the administrator.

**IMPORTANT:** By accessing this Web Site and any of its pages you are agreeing to the terms set out above.
